

Canadian Geotechnical Society

2019 Student Competitions

Graduate Student Presentation Award

- **Submission** – 15 minute (max) presentation recorded before a live technical audience, followed by a question-and-answer period. The video should be submitted in mp4 format and recordings must be viewable on a personal computer. The video submissions can be made via Dropbox or mailed in on a USB stick.
- **Evaluation** - geotechnical content and interest (60%), oral and visual quality of presentation (30%), and performance during the question-and-answer period (10%).
- **1st Place Award** - \$1,250 honorarium and a certificate, one-year's membership in CGS, free conference registration, and an opportunity to present at the Annual Conference (**GeoSt.John's 2019**)
- **2nd Place Award** - \$750 honorarium and a certificate, one-year's membership in CGS and free conference registration.

Undergraduate Report Award (Individual)

- **Submission** – Written report (e.g., Undergraduate Thesis, Term Project, Summer Work Report, etc.) generated by a single undergraduate student. Submissions are accepted in electronic format.
- **1st Place Award** - \$1000 honorarium and a certificate, one-year's membership in CGS, and free conference registration.
- **2nd Place Award** - \$750 honorarium and a certificate, one-year's membership in CGS, and free conference registration.
- **Maximum of one nomination** per academic unit of each university (see the rules for definition of "academic unit").

Undergraduate Report Award (Group)

- **Submission** – Based on a written report (e.g., Group Research Report, Term Project, etc.) generated by a group of undergraduate students. Submissions are accepted in electronic format.
- **1st Place Award** - \$700 per individual (up to a maximum of \$2,800) and certificates, one-year's membership in CGS, and free conference registration for each student.
- **2nd Place Award** - \$400 per individual (up to a maximum of \$1,600) and certificates, one-year's membership in CGS, and free conference registration for each student.
- **Maximum of one nomination** per academic unit of each university

Honoraria sponsored by the
Canadian Foundation for Geotechnique

Rules and Submissions

Deadline for All Entries
15 May 2019

Submissions must be made in accordance with the rules. Please include **the cover page** and a **headshot of each entrant** (each member of the undergraduate group submission must submit).

Please send submissions to:

Ryley Beddoe, PhD
2019 Student Competition Chair
Royal Military College
Civil Engineering Department

Electronic Submissions:
ryley.beddoe@rmc.ca

Mailing Address:
