

The Dennis Becker CFG M.Sc. Award

Name:

Email:

University:

Department:

Supervisor(s):

Start Date of Master's degree:

Research Project Title:

Please ensure the following documents are included with the application:

1. *Official transcript of graduate courses.*
2. *A statement of support from the research advisor endorsing the application. The supervisor is encouraged to comment on the quality and expected impact of the student's work, as well as their activity in volunteer or leadership roles in geotechnique.*
3. *A 500-word synopsis of the research project written by the nominee describing the purpose and relevance of, and progress on, their research work. Comments should be made on the expected outcome, and expected impact on the current state-of-practice in geotechnique.*

Notes:

- *Students wishing to apply should have completed all course work in their Master's program.*
- *Nominations are limited to one per academic department and can be made in English or in French.*

Applications will be accepted until **May 1** and should be sent by email to the Administrator of Student Competition Award Dr. Ryley Beddoe at Ryley.Beddoe@rmc.ca.
