

# Canadian Geotechnical Society 2020 Student Competitions

## Graduate Student Presentation Award

- **Submission** – 15 minute (max) presentation recorded before a live technical audience, followed by a question-and-answer period. The video should be submitted in mp4 format and recordings must be viewable on a personal computer. The video submissions can be made via Dropbox or mailed in on a USB stick.
- **Evaluation** - geotechnical content and interest (60%), oral and visual quality of presentation (30%), and performance during the question-and-answer period (10%).
- **1<sup>st</sup> Place Award** - \$1,250 honorarium and a certificate, one-year membership in CGS, free conference registration, and an opportunity to present at the Annual Conference (**GeoCalgary 2020**)
- **2<sup>nd</sup> Place Award** - \$750 honorarium and a certificate, one-year membership in CGS and free conference registration.

## Undergraduate Report Award (Individual)

- **Submission** – Written report (e.g., Undergraduate Thesis, Term Project, Summer Work Report, etc.) generated by a single undergraduate student. Submissions are accepted in electronic format.
- **1<sup>st</sup> Place Award** - \$1000 honorarium and a certificate, one-year membership in CGS, and free conference registration.
- **2<sup>nd</sup> Place Award** - \$750 honorarium and a certificate, one-year membership in CGS, and free conference registration.
- **Maximum of one nomination** per academic unit of each university (see the rules for definition of “academic unit”).

**GeoCalgary**  
2020

## Undergraduate Report Award (Group)

- **Submission** – Based on a written report (e.g., Group Research Report, Term Project, etc.) generated by a group of undergraduate students. Submissions are accepted in electronic format.
- **1<sup>st</sup> Place Award** - \$700 per individual (up to a maximum of \$2,800) and certificates, one-year membership in CGS, and free conference registration for each student.
- **2<sup>nd</sup> Place Award** - \$400 per individual (up to a maximum of \$1,600) and certificates, one-year membership in CGS, and free conference registration for each student.
- **Maximum of one nomination** per academic unit of each university

Honoraria sponsored by the  
**Canadian Foundation for  
Geotechnique**

## Rules and Submissions

**Deadline for  
All Entries  
15 May 2020**

Submissions must be made in accordance with the rules. Please include **the cover page** and a **headshot of each entrant** (each member of the undergraduate group submission must submit).

Please send submissions to:

**François Duhaime**  
2020 Student Competition Chair  
École de technologie supérieure  
Construction Engineering

Electronic Submissions:  
**francois.duhaime@etsmtl.ca**

Mailing Address:
